- r) "SDWA" means Safe Drinking Water Act, 2002, S.O. 2002, c.32, as amended;

The following Condition is hereby revoked and replaced as follows:

19.0 Financial Assurance

19.1 Within 10 days of issuance of this notice the Owner shall submit to the Director, Financial Assurance, as defined in Section 131 of the EPA, for the additional amount of \$116,278.00 for a total Financial Assurance amount of \$127,278.00. This Financial Assurance shall be in a form acceptable to the Director and shall provide sufficient funds for the analysis, transportation, site clean-up, monitoring, supervision and disposal of all quantities of waste on site at any one time.

19.2 Commencing on March 31, 2011 and at intervals of three (3) years thereafter, the Owner shall submit to the Director, a re-evaluation of the amount of Financial Assurance to implement the actions required under Condition 19.1. The re-evaluation shall include an assessment based on any new information relating to the environmental conditions of the Site and shall include the costs of additional monitoring and/or implementation of contingency plans required by the Director upon review of the closure plan and annual reports. The Financial Assurance must be submitted to the Director within ten (10) days of written acceptance of the re-evaluation by the Director.

19.3 Commencing on March 31, 2009, the Owner shall prepare and maintain at the Site an updated re-evaluation of the amount of Financial Assurance required to implement the actions required under Condition 19.1 for each of the intervening years in which a re-evaluation is not required to be submitted the Director under Condition 19.2. The re-evaluation shall be made available to the Ministry, upon request.

19.4 The amount of Financial Assurance is subject to review at any time by the Director and may be amended at his/her discretion. If any Financial Assurance is scheduled to expire or notice is received, indicating Financial Assurance will not be renewed, and satisfactory methods have not been made to replace the Financial Assurance at least sixty (60) days before the Financial Assurance terminates, the Financial Assurance shall forthwith be replaced by cash.

The following Conditions are hereby added as follows:

General

25.0 The company shall ensure the maximum quantity of waste stored at this Site, at any given time, does not exceed 122,580 Litres.

26.0 Build, etc. in Accordance

26.1 Except as otherwise provided by these conditions, the Site shall be designed, developed, used, maintained and operated, and all facilities, equipment and fixtures shall be built and installed, in accordance with the conditions of this Certificate and all other supporting documents listed in Schedule "A" of this Certificate.

27.0 Interpretation

27.1 Where there is a conflict between a provision of any document, including the application, referred to in this Certificate, and the conditions of this Certificate, the conditions in this Certificate shall take precedence.

27.2 Where there is a conflict between the application and a provision in any documents listed in Schedule "A", the application shall take precedence, unless it is clear that the purpose of the document was to amend the application and that the Ministry approved the amendment.

27.3 Where there is a conflict between any two documents listed in Schedule "A", other than the application, the document bearing the most recent date shall take precedence.

27.4 The requirements of this Certificate are severable. If any requirement of this Certificate, or the application of any requirement of this Certificate to any circumstance, is held invalid or unenforceable, the application of such requirement to other circumstances and the remainder of this certificate shall not be affected thereby.

28.0 Other Legal Obligations

28.1 The issuance of, and compliance with the conditions of, this Certificate does not:

(1) relieve any person of any obligation to comply with any provision of any applicable statute, regulation or other legal requirement; or

(2) limit in any way the authority of the Ministry to require certain steps be taken or to require the Owner and Operator to furnish any further information related to compliance with this Certificate.

29.0 Adverse Effects

29.1 The Owner and Operator shall take steps to minimize and ameliorate any adverse effect on the natural environment or impairment of water quality resulting from the Site, including such accelerated or additional monitoring as may be necessary to determine the nature and extent of the effect or impairment.

29.2 Despite an Owner, Operator or any other person fulfilling any obligations imposed by this Certificate the person remains responsible for any contravention of any other condition of this Certificate or any applicable statute, regulation, or other legal requirement resulting from any act or omission that caused the adverse effect to the natural environment or impairment of water quality.

The reasons for this amendment to the Certificate of Approval are as follows:

1. The reason for the definitions is to simplify the wording of the subsequent conditions and define the specific meaning of terms as used in this Provisional Certificate of Approval.
2. The reason for Conditions 19 is to ensure that sufficient funds are available to the Ministry to clean up the Site in the event that it appears the Owner is unable or unwilling to do so.
3. The reason for Conditions 25, 26, 27, 28 and 29 is to update the general conditions of this Provisional Certificate of Approval.

This Notice shall constitute part of the approval issued under Provisional Certificate of Approval No. A580730 dated September 27, 1990, as amended.

In accordance with Section 139 of the Environmental Protection Act, R.S.O. 1990, Chapter E-19, as amended, you may by written notice served upon me and the Environmental Review Tribunal within 15 days after receipt of this Notice, require a hearing by the Tribunal.
